EZNotes C:V.11.14

To Drummond Group:

For public release and exact language used for our website and marketing distributions:

*EZNotes C:V.14 may require one-time and monthly costs to establish interfaces for reporting to immunization registries, cancer registries, and public health agencies (170.314.f.2, 170.314.f.4, 170.314.f.6). The one-time cost is charged at the facility level per interface. The monthly costs are a flat rate per provider facility.*

#### **Costs or Fees**

*"This certified product-version may require the use of a HISP which we have contracted with Phimail. The costs associated with the HISP include: a 1 time set up fee of \$350 (which includes the 1<sup>st</sup> year) and an annual fee of \$100 per provider.*

#### **Contractual Limitations**

*"This certified product-version may require the continuing use of Phimail as a HISP.*

*\*To include but not limited to: whether certain third parties are required or preferred, which third parties may not be used, and restrictions or difficulties that may be encountered if provider uses a non-preferred third party*

#### **Technical or Practical Limitations**

*"This certified product-version may require the use of a free service Microsoft Health Vault, access to an internet connection, Phimail HISP, and those receiving to have a HISP."*

**This language will be displayed on this page of our website here:**
